

Welcome to 40 Days in the Word! This teaching series and corresponding small group curriculum show you how to **Not** Just Hear The Word, but to be a Doer Of The Word as well.

In this campaign, you'll listen to weekly teachings, go through the materials with your small group and return each day for your daily devotion, scripture reading, tools, and for your group's outreach project.

By the end of our 40 days together, our goal here at First Baptist is to help you...

1. Love the Word of God like you've never loved it before.
2. Learn the Word of God like you've never learned it before.
3. Live the Word of God like you've never lived it before.

God's Word is NOT meant just to inform you but to transform you. Receiving, reading, researching, remembering and reflecting on the Bible is useless if we fail to put God's Word into practice. So join us as we begin this 40 day journey – "40 Days in the Word."
