*Hip-hop culture is global! One might be amazed to discover that its originating goal was “Love, Peace, Unity, and Having Fun!” *Hip-Hop Hope: Jesus Makes Me Glad*, is a perfect opportunity to offer Jesus as the ultimate DJ, who scratches out new songs of hope. Jesus is the b-boy, Lord of the Dance, who moves through history bringing salvation. In the words of hip-hop artist turned Christian minister, Kurtis Blow, “Don’t get it twisted, God has always existed!”
